Antebellum Reformers

Directions: Choose one of the following topics (OR CHOOSE ONE OF YOUR OWN) and write a two-page typed response. Keep in mind the ROLE you have chosen, the AUDIENCE that you are writing for, the FORMAT in which the assignment has to be written and the TOPIC that you must cover. Utilize a minimum of three sources. If your sources are electronic (internet) make sure that they are scholarly. Use GoogleScholar instead of just Google. No "Wiki" sites. A works-cited page must accompany your two-page finished product. DO NOT plagiarize; I catch 3 or 4 students every year. The American Pageant does not count as a source.
